As the I-4 Ultimate road project nears completion, its effect on traffic patterns in close proximity to our Maitland office is lessening. Please continue to allow extra time to reach this destination if you must travel a great distance on the interstate. Google Maps and other navigation tools are also becoming current.

From I-4 Heading West:

Take exit 90C-B-A toward FL-414 West/Maitland Boulevard. At the top of the exit ramp, keep left at the fork, following signs for FL-414 West/Maitland Boulevard, and merge onto Maitland Boulevard. Take the North Keller Road exit toward Lake Destiny Road; turn right onto Keller Road (by Sam Snead's Oak Grill and Tavern). Make a right onto Westhall Lane (second light). Turn left on Maitland Center Commons (first road on left). Go to the end of the road and turn right into the Paragon Building parking lot. Circle around the building to its east side; it will be easiest to get to the elevators from that entrance. Suite 440 is on the fourth floor, to the left as you exit the elevators.

From I-4 Heading East:

Take exit 90A-B toward FL-414 West/Maitland Boulevard. In about 7 blocks, keep left at the fork to continue on Exit 90 B, follow signs for FL-414 W/Maitland Blvd/Apopka and merge onto Maitland Boulevard. Take the North Keller Road exit toward Lake Destiny Road; turn right onto Keller Road (by Sam Snead's Oak Grill and Tavern). Make a right onto Westhall Lane (second light). From the Airport:

Take 436 North (Semoran Boulevard) out of the Airport. Past Curry Ford Road, stay in the right-hand lane. After the overpass, in 6.4 miles, you will immediately get on the entrance ramp for the 408 Expressway (Formerly the East-West Expressway). You will be going West. After a couple of miles on this toll road, you will see downtown Orlando. From the Expressway, you will take exit 10A and get on I-4 going east. Take exit 90A-B toward FL-414 West/Maitland Boulevard.
